DETAILED ACTION

Allowable Subject Matter

1. Claims 1-3, 5, 8, 11-16, 18-26, 28, 29, 36-39, 41, 43, 45, 47-52, 54-62, 64-68, and 70-78 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 24-26, 28, 29, 36, 60-62, 64-66, 70, and 73-78 are allowed for reasons deemed to be of record, as set forth in the Office letter of 25 October 2006.

Independent claims 1 and 37 have been amended to include the limitation of a second insulating layer disposed over the first TFT, wherein the first electrode and first insulating layer are formed on the second insulating layer. This limitation, in combination with the other limitations in the claims, leads to a TFT substrate structure substantially similar to that of independent claims 24 and 60, and thus claims 1-3,5,8,11-16,18-23,37-39,41,43,45,47-52,54-59,67,68, 71, and 72 are allowable for the same reasons as claims 24, 60, and all claims dependent thereon, as set forth in the Office letter of 25 October 2006.

The Examiner notes that in the Applicant's remarks accompanying the 12/21/06 amendment, the Applicant includes claims 17 and 53 among the currently pending claims for which allowance is solicited. The 12/21/06 amended claims, however, clearly indicate cancellation of claims 17 and 53.
